SPTY

100% ELECTRIC

EV60S

Built for your everyday journeys.

Electric motorcycle
Urban mobility and delivery

80 km/h
Maximum speed

170 km
Maximum range*

10 kW
Peak motor power

OUR COMPANY

Shanghai Autos PTY

Electric mobility solutions from China for Panama and Latin America.

Shanghai Autos PTY is part of Wellview Universal Group. With a presence in Panama and our own office in China, we coordinate vehicle selection, inspection, logistics, spare parts and technical support according to each project.

We serve private customers, businesses and fleet operators. Configuration, availability, warranty and service are confirmed in writing for each order.

PANAMÁ / CHINA / LATAM

Wellview Universal Group
