MAZDA EZ-60 2026

Extended Range 200 | Range-extended electric SUV

200 km electric CLTC range. 1,100 km combined CLTC range. 31.73 kWh LFP battery and 190 kW electric motor.

Basic information

Model	Mazda EZ-60 2026 Extended Range 200
Launch date	April 2026
Body segment	Mid-size SUV
Powertrain	Range-extended electric (REEV)
Electric range (CLTC)	200 km
Combined range (CLTC)	1,100 km
Length × width × height	4,850 × 1,935 × 1,620 mm
Range-extender engine	1.5 L / 98 hp / 4 cylinders in line
Engine maximum power	72 kW
Number of gears	1
Transmission	Fixed-ratio transmission
Maximum speed	185 km/h
Combined fuel consumption (WLTC)	0.74 L/100 km
Battery type	Lithium iron phosphate (LFP)

Battery capacity	31.73 kWh
Fast charging time	0.25 h
Fast charging state of charge	30-80%

Body and dimensions

Length	4,850 mm
Width	1,935 mm
Height	1,620 mm
Wheelbase	2,902 mm
Front / rear track	1,643 / 1,652 mm
Curb weight	1,992 kg
Gross vehicle weight	2,590 kg
Luggage capacity	549-2,036 L
Doors / seats	5 / 5
Approach / departure angle	16° / 20°

Range-extender engine

Displacement	1,497 mL
Engine model	CM469NE1
Maximum power	98 hp / 72 kW
Maximum net power	70 kW
Cylinder arrangement	4 cylinders in line
Engine location	Rear, as stated in the source engine column; confirm with supplier.
Aspiration	Naturally aspirated
Valve train	Double overhead camshaft (DOHC)
Fuel supply	Multi-point electronic fuel injection
Cylinder-block material	Aluminium alloy
Fuel rating	92# (as stated in the supplied specification)
Emissions standard	China VI

Electric motor, battery and charging

Total electric motor power	190 kW
Total electric motor torque	290 Nm
Rear motor maximum power	190 kW

Rear motor maximum torque	290 Nm
Electric range (CLTC)	200 km
Battery capacity	31.73 kWh
Energy consumption	17.5 kWh/100 km
Fast charging time	0.25 h
Motor type / operating principle	Permanent magnet / synchronous
Number of drive motors	One
Motor location	Rear
Battery chemistry	Lithium iron phosphate (LFP)
Battery-cell brand	Chang'an Times
Battery cooling	Liquid cooling
Fast charging	Supported
Fast charging state of charge	30-80%
Energy recovery	Standard
Battery preconditioning	Standard
External power discharge	Standard

Chassis, steering, wheels and brakes

Drive type	Rear-wheel drive
Front suspension	Independent MacPherson
Rear suspension	Independent multi-link with H-arms
Adjustable suspension	Not available
Steering assistance	Electric
Front / rear brakes	Ventilated disc / disc
Parking brake	Electronic parking brake
Front / rear tires	235/55 R19 / 235/55 R19
Wheel material	Aluminium alloy
Spare-tire provision	Tire repair kit

Active and passive safety

Anti-lock braking system (ABS)	Standard
Electronic brake-force distribution (EBD/CBC, etc.)	Standard
Brake assistance (BA/EBA/BAS, etc.)	Standard

Traction control (ASR/TCS/TRC, etc.)	Standard
Vehicle stability control (ESC/ESP/DSC, etc.)	Standard
Active braking / safety system	Standard
Lane-change assistance	Standard
Lane-keeping assistance	Standard
Lane centering	Standard
Lane-departure warning	Standard
Traffic-sign recognition	Standard
Low-speed warning	Standard
Driver-fatigue warning	Standard
Door-opening warning (DOW)	Standard
Front airbags	Driver, passenger, centre, side and curtain airbags: standard
Rear airbags	Side and curtain airbags: standard
Tire-pressure monitoring	Display: standard
Seat-belt reminder	Standard. The source specifies “all windows”; coverage requires confirmation.
ISOFIX child-seat anchors	Standard
Forward-collision warning	Standard
Rear-collision warning	Standard
Rollover-prevention system	Standard
Sentry mode / remote view	Standard

Driving and parking assistance

Parking sensors	Front and rear: standard
Driving-assistance cameras	360° panoramic camera: standard
Transparent chassis / 540° view	Standard
Rear cross-traffic alert	Standard
Cruise control	Full-speed adaptive cruise control: standard
Driving modes	Sport, Economy, Standard/Comfort and Custom
Hill-descent control	Standard
Hill-start assistance	Standard
Automatic parking	Standard
Remote parking	Standard

Reverse tracking	Standard
Assistance level	L2
Driving-assistance system	E-ZERO Boundless intelligent navigation
Traffic-light recognition	Standard
Parking assistance	Standard
Lane-change assistance	Standard
Move-off reminder	Standard
Driving-assistance environment	Highway

Exterior and anti-theft equipment

Sunroof	Fixed panoramic roof: standard
Active grille shutters	Standard
Frameless doors	Standard
Concealed power door handles	Standard
Tailgate opening	Electric
Power-tailgate position memory	Standard
Key type	Remote key and Bluetooth key
Keyless entry	Standard
Keyless start	Standard
Remote start	Standard
Central locking	Standard
Electronic engine immobilizer	Standard

Interior and intelligent hardware

Steering-wheel material	Leather
Steering-wheel adjustment	Manual height and reach adjustment
Steering-wheel functions	Multifunction
Hands-off detection	Standard
Centre armrests	Front and rear
Gear selector	Electronic column-mounted selector
Sun-visor vanity mirror	Standard
Augmented-reality head-up display (AR-HUD)	Standard
HUD projection size	50 inches

Built-in dashcam	Standard
Wireless phone charging	Front row
Front sensing camera	Monocular
Number of cameras	5
Number of interior cameras	1
Front-camera resolution	8 MP
Number of ultrasonic radars	12
Number of millimetre-wave radars	5
Zone-based wake-up recognition	Four zones
Surround-view camera resolution	1.3 MP

Seats

Upholstery	Synthetic leather
Zero-gravity seat	Not available
Front-seat functions	Heating and ventilation
Power seat adjustment	Driver and front passenger
Driver-seat adjustment	Fore/aft, backrest and 2-way height
Passenger-seat adjustment	Fore/aft and backrest
Second-row adjustment	Split-folding backrest
Seat-adjustment controls for rear passengers	Not available
Rear cup holders	Standard

Multimedia and connectivity

Central colour touchscreen	Touch LCD
Split-screen function for central LCD	Standard
Satellite navigation	Standard
Navigation traffic information	Standard
Map provider	Gaode Maps
Roadside-assistance call	Standard
Vehicle operating system	CAMZD OS
Vehicle computing chip	MT8676
Remote mobile-app functions	Door control; window control; vehicle start; charging management; air-conditioning control; seat heating; seat ventilation; vehicle-status query/diagnostics; vehicle location; maintenance/repair booking

Bluetooth / in-vehicle phone	Standard
Number of speakers	8
Exterior speakers	Not available
Dolby Atmos	Not available
Simulated sound	Standard
Voice-control functions	Multimedia; navigation; phone; air conditioning; windows; heated seats; ventilated seats
DeepSeek application	Not available
Central-display size	26.45 inches
Central-display resolution	5K
Central-display pixel density	201 PPI
Voice wake-up	Standard
Voice-assistant wake phrase	Hi MAZDA
Continuous voice recognition	Standard
Voice recognition of visible objects	Standard
Voiceprint recognition	Standard
Gesture control	Not available
Facial recognition	Standard
In-vehicle biometric monitoring	Standard
Mobile network	4G
Wi-Fi hotspot	Standard
Connected-car services	Standard
OTA updates	Standard
In-car KTV	Standard
Supported interfaces	USB and USB Type-C
Number of USB / Type-C ports	2 front / 1 rear
Wireless phone charging power	50 W
Infotainment memory	16 GB
Infotainment storage	128 GB
Application store	Standard

Lighting

Low beam	LED
High beam	LED
LED daytime running lights	Standard
Adaptive high/low beam	Standard
Adjustable headlights	Standard
Automatic headlights	Standard
Delayed headlight shut-off	Standard
Interior ambient lighting	Optional
Active ambient lighting	Optional
Scene-based ambient lighting	Standard
Touch-sensitive reading light	Standard

Windows and mirrors

Power windows	Front and rear
One-touch window operation	All windows
Window anti-pinch function	Standard
Exterior mirrors	Power adjustment, power folding, heating and automatic folding when locked
Interior mirror	Manual anti-glare
Multi-layer glass function	Acoustic insulation
Acoustic laminated side glass	Front row
Rain-sensing wipers	Standard
Rear wiper	Standard

Air conditioning

Climate-control method	Automatic
Independent rear air conditioning	Not available
Rear air vents	Standard
Temperature-zone control	Standard
Air-quality monitoring	Not available
Air purification	Not available
PM2.5 filtration	Standard
Negative-ion generator	Not available

Specification notes

Equipment legend: standard = included in the supplied specification; optional = an extra; not available = not included. All information is translated from the SPTY source technical sheet.

The source labels the range-extender engine location as rear and the seat-belt reminder scope as “all windows”. These entries are retained as source statements and require supplier confirmation.

Published test-cycle range and consumption are reference values. Actual results vary with speed, load, terrain, climate and driving conditions. Charging times depend on the charger and operating conditions.

Configuration, availability, market-specific functions, warranty and commercial terms must be confirmed in writing for the ordered vehicle.

Shanghai Autos PTY S.A. | RUC: 155717213-2-2025 DV 6 | Centro Comercial Costa Sur, Local 28, Juan Diaz, Panama City.
